**Subject:** Overview of EASTELPRENEUR – Auto Rank Upgrade under Reload Incentive Programme

## 1. Overview

Under the EASTELPRENEUR Reload Incentive Programme, EASTELPRENEURS shall be automatically upgraded upon fulfilling the prescribed criteria based on their monthly “**Overriding Incentive**” performance, whereby the “**Reload Incentive Programme**” refers to the incentive programme as a whole and the “**Overriding Incentive**” refers to the incentive amount earned from eligible reload activities within the downline network, including lower-tier downlines, for the purpose of rank upgrade qualification.

Current Rank	Upgrade Rank to	Overriding Incentive Requirement*	Tier Unlock	Entitlement Additional tiers of Overriding Incentive (%)
Elite Member	Ambassador	RM 500	Tier 4-8	1.5
Ambassador	Senior Ambassador	RM 3,500	Tier 9-13	1

Notes: within single month

## Scenario:

	JAN	FEB	MAR	APR
Overriding Incentive:	RM 400	RM 400 + RM 80	RM 480 + RM 50	RM 520
Existing + New Subscribers:		 + 		
Ranking:	Elite Member	Elite Member	Elite Member* <b>qualify for an upgrade</b>	Ambassador

E.g.: if an EASTELPRENEUR achieves RM400 Overriding Incentive in January, they will not be eligible for an AUTO UPGRADE. The calculation will reset on 1 February. However, Same batch of members being recruited will stay with you and you manage to recruit more members in February. If they achieve a total Overriding Incentive of RM 500 or more within March, they will then be upgraded to Ambassador. Once upgraded, the rank will be remained as what you been upgraded, even if not achieving RM 500 in this subsequent month (simplify).
